Foreword

As chair of Wellow Maypole Committee it is my pleasure to welcome you to this year's maypole celebrations.

May I take this opportunity to thank you for your support for this traditional event. I also should point out that through your support we are able to, in turn, support other worthwhile causes. Each year any profit made is redistributed. This year's recipient is Beaumont House Hospice and was chosen by his year's May Queen Emily Paris.

I am sure you will agree that we have something for all the family here at Wellow Maypole Celebrations. There are numerous stalls from bric - a brac to silver jewellery, many games and attractions from Hook a Duck to Bat the Rat. We hold a raffle with excellent prizes and offer various forms of entertainment - watch out for local skiffle band 'Kick 'n' Rush'!

This year, the cover and back of the programme have been designed by the winners of an art competition for the Maypole dancers.

Finally, when you have enjoyed yourself at our Celebrations to crown the new May Queen, please do spread the word so that we may secure the future of this traditional event.

Thank you.
Mandy Goodall

Wellow May Queen 2007

As this year's Wellow May Queen I would like to warmly welcome you to Maypole Day 2007. I hope you will enjoy watching the dancing and joining in with today's celebrations.

My name is Emily Paris, I am 14 years old and this is my first year attending Worksop College after nine years at Wellow House School. I enjoy acting, singing, reading and ice-skating and have been maypole dancing for 5 years, having been attendant twice. I am excited to be crowned May Queen 2007 by Laura Belcher, the retiring May Queen.

My chosen charity for this year's main donation is Beaumont House Hospice in Newark. I chose this cause as I felt it could benefit greatly from our fundraising as it only receives 30% government funding yet costs over £1000 a day to carry out its vital work. Hopefully, the money raised through today's celebrations will aid and support the much-appreciated efforts the Hospice carries out in this area.

Finally, I would like to thank the residents of Wellow who voted to make me May Queen and also the Maypole Committee, Laura Carr, Mrs Bartle, the parents and willing volunteers who made this special day possible. I would also like to thank the dancers and my retinue who have spent time working hard to perfect the difficult dances to put on a wonderful show for all those who attend today.

Emily Paris

Entertainment

The local Kick 'n' Rush Comedy Skiffle Band formed in 1980, but the origins of the band began to take shape much earlier under the name of Maun Valley Ramblers during the 60's followed by The Shambles in the 70's.

Their music consists of Skiffle, Comedy, Folk and Rock 'n' Roll with their influences stretching from Lonnie Donnegan and Woody Guthrie through to the Beatles.

Entertainment

Horse Logging Displays by Mark Turnbull

Demonstrations of the working forestry horse, using traditional as well as modern equipment. Mark and his powerful horse have a rapport, showing skill and versatility.

Come and see the 'little and large' working together. A heavy horse demonstrates modern equipment and techniques and a Shetland pony shows traditional working methods.

You will also be able to see a static display during the afternoon.

Mark Turnbull's Horse Logging Displays will take place on the Green at 2.10 pm and 4.30 pm.

Miraiker Battey's Punch and Judy Shows

Miraiker Battey will entertain the children with her traditional Punch and Judy Shows. An action-packed story follows the antics of Mr Punch, Judy and the baby, Joey the clown, the policeman and the sausage-eating crocodile, plus many more characters. Miraiker has carved the Punch & Judy figures from English lime and dressed and painted them herself.

The Punch and Judy Shows will take place in or near a small marquee opposite the village green at 1.10 pm and 1.40 pm.

The committee is grateful to Newark & Sherwood District Council for their financial contribution towards the entertainment.
